Class History

As we entered our Freshman year in September 1960, we were very enthusiastic to make our first years at South Fayette a memorable one. But we would cherish for a long time.

At our first class meeting, we elected our officers. As president we elected Bo Roberts, Vice President Barbara Pugh, Secretary Carol Shrank, and Treasurer Cooke Scher. Our first social event was the first of our Ice Cream Kiting party. We made our first social visit with the class to the South Park. This was so successful that we decided to make it an annual affair.

Our sophomore class officers were Alphonse Legeron, President, Alex Lee, Treasurer, Vee President, Martha Kerk, Secretary, and Phil Klemish, Treasurer. Our first project of the year was ice skating only at South Park. Other activities included a bake sale and car wash, both of which were successful.

Our officers for our junior year were President Frank S. V., Vice President Carol Shrank, Secretary Sue Roberts, and Treasurer Ben Schrank. All of our activities were directed toward preparing for the Junior Senior Prom. Our first activity was our Junior Class Picnic at the Dozer. This proved to be one of the greatest projects ever staged at South Fayette. After with our Pineapple Festival and Picnic, we raised enough money to sponsor the Junior Senior Prom. As time kept passing, we saw our dream of having the greatest prom ever take. And on May 9, 1962, at the Stratton Motor Hotel, our dream came true and we put the prom to rest. We did experience the greatest prom ever.

And now we're Seniors! Our officers are President Alphonse Legeron, Vice President Robert Kaden, Secretary Kerri Heaps, Treasurer Lucinda DeMond. The production of the yearbook is still on. We have tried our hardest to preserve it in this book, and we hope you as future graduates of South Fayette will remember us through our edition of the 1970 "La Fayette Log."

Alma Mater

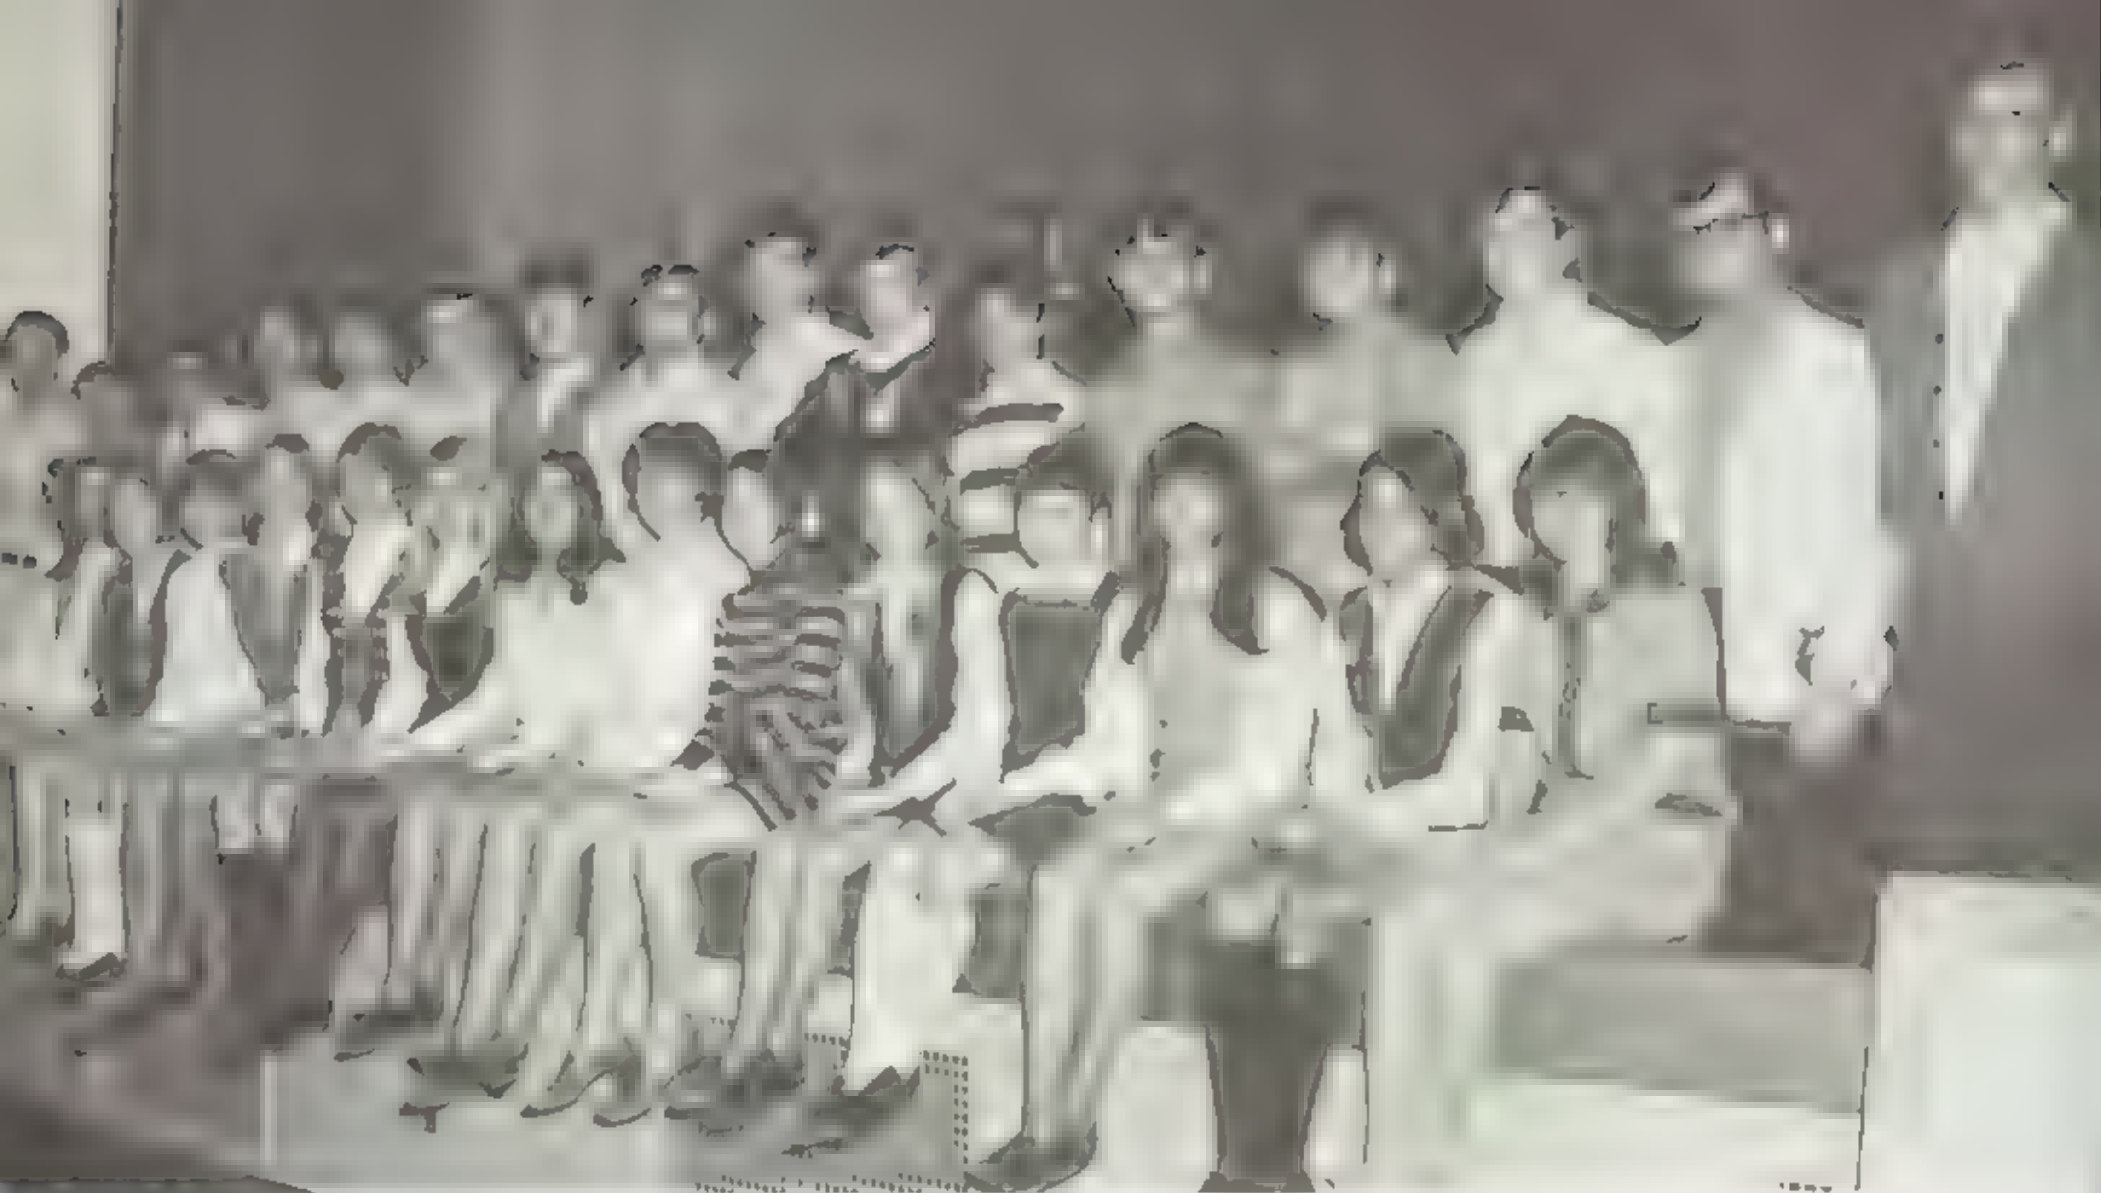

South Fayette, may we be
Ever faithful to thee,
May thy children all cherish thy name;
For the good thou hast done,
For each victory we've won,
Alma Mater to thee all thy fame.

Dear Old High, thou hast served us so well,
All thy virtues we never can tell;
Other schools we may all soon forget,
But we'll always love dear South Fayette.

Together, Together.

Oh, we could be on a desert lost without
a place to go . . .

But we're so in love, in love with each
other that we wouldn't even know.

And we could be in poverty, no one to
lend a helping hand .

But it's all right, all right I know,
Because you always understand.

Oh, I don't care any place anywhere,

just as long as you are there.

Together, Together.

Baby just you and me,

Oh how happy we will be.

Our Final Farewell

With our diplomas as our keys, we can
stand before the doors of the future with the
knowledge that they will open for us.

Our school was a crutch for walking and a
hand for guiding.

Although we were taught to be as mature
as we could, we will always be students, always
to conquer the world with our own hands.
